

The Bully in my School

There's a bully in my school,
He always pokes me in the hall,
He always tells lies,
He calls me fatty four eyes,
'Coz there's a bully in my school.

When I'm on my way to classes,
He always makes fun of my glasses,
I don't know what to do,
I end up hiding in the loo,
'Coz there's a bully in my school.

He seems to haunt me in my sleep,
He makes me always want to weep,
It's driving me to hell,
I don't know who to tell,
'Coz there's a bully in my school.

Nobody seems to really care,
All they tend to do is stare,
The fear is killing me,
But nobody can see,
'Coz there's a bully in my school.

I've tried so hard to hid the fears,
But now I'm choking on the tears,
I try my best to hide,
The secret locked inside,
'Coz there's a bully in my school.

I feel like walking out the door,
I can't take it anymore,
Will it ever end?
The damage will never mend,
You'll never feel the pain involved,
Or how this issue will resolve,
I'm feeling like the fool,
'Coz there's a bully in my school.

'Coz there's a bully in my school.
