# Online Safety and Cyberbullying Awareness for Parents and Carers

Duration: 1.5hrs

Our Online Safety and Cyberbullying Awareness for Parents and Carers course will help parents and carers to understand the benefits and the exciting potential of the online world.

The session will also highlight potential risks associated with keeping children and young people safe online.

## Learning outcomes

### The workshop will cover subjects including:

- How children use the internet and technology
- The potential risks children face online
- Harmful content online
- Online radicalisation and extremism
- Sexting
- Sexual offending against children online
- Cyberbullying
- Gaming
- Live streaming
- Support and information for parents and carers to support their children
- Expert advice to on how to set up parent controls and make the home a safer place to explore

*“The parent talk was exceptional. Often talks about the internet can focus on the dangers and as parent it is terrifying. I learnt there is so much more I can do at home. Having open conversations and learning from your kids really stayed with me.”*
